Subject: FW: submission of revised CRP2 proposal "Policies, Institutions, and Markets to Strengthen Food Security and Incomes for the Rural Poor"

Dear Inger,

I have great pleasure in attaching the revised CRP 2 proposal "Policies, Institutions, and Markets to Strengthen Food Security and Incomes for the Rural Poor" received yesterday from the proponents.

I also attach the letter from the lead center (IFPRI) submitting this new version to me and indicating in an attached table the way comments received at the last Fund Council meeting were addressed.

Looking forward to the consideration and approval of this important program at the July Fund Council meeting.

Best regards,

Carlos
