

### **Approval of Allocation to CRPs from Window 1**

In a message dated Oct 21, 2011 (Ref. No. 45-1020-2011), the Fund Office presented the Consortium's formal request to allocate funds from Window 1 for the Genebanks and 6 approved CRPs in order to satisfy the CRP budget requirements for 2011. The Fund Council was requested to approve the allocation of **US\$69.26 million** from Window 1 to the following approved CRPs on a '**no-objection**' basis:

Genebanks	\$13.08 million
CRP 1.3	\$3.90 million
CRP 3.1	\$2.40 million
CRP 3.2	\$4.29 million
CRP 3.3	\$11.62 million
CRP 6	\$11.10 million
CRP 7	<u>\$22.87 million</u>
<b>TOTAL</b>	<b>\$69.26 million</b>

The requested Window 1 allocation is based on the condition that Window 2 funds are not enough to cover the CRP fund requests. Should more Window 2 funds become available for the subject CRPs after the Fund Council approval and before the actual disbursement, Window 2 funds will take the first call; the balance of the request will be from Window 1 and the undisbursed allocation from Window 1 will be cancelled.

There was no objection received by the Fund Office from Fund Council members during the two-week comment period. **The request is therefore considered approved, subject to the condition indicated above.**
