

My experience with the CGIAR

Maria Alexandra Jorge (2009 AWARD fellow)

Genebank manager, ILRI, Addis Ababa, Ethiopia

What CGIAR accomplishments are you most proud of?

- Great women involvement on research (scientists, partners, clients)
- Great diversity (people, cultures, missions, competencies, regions)
- Building capacity (G&D, AWARD)

3 years

2000 applicants (BsC, MSc, PhD)

180 fellows from 10 African countries

170 male and female mentors

10 000 youngsters reached in role model

AWARD adjusting to women's needs

AWARD fellows and mentors

How well is the CGIAR responding to current external and internal challenges?

- Keeping our diversity!
- Sharing knowledge
- Looking for new opportunities

AWARD fellows during a field visit in Mozambique

What outcomes and impacts should the CGIAR be held accountable for in the next 40 years?

- Building capacity (within and outside the CGIAR)
- Developing equal and balanced partnerships
- Focusing on our comparative advantages

AWARD fellow from Uganda sharing knowledge with farmers
