

Nomination of Funders Forum 2012 Co-Chair

Dear Funders:

As agreed at the inaugural Funders Forum in July 2010, subsequent Funders Fora will be co-chaired by the Fund Council Chair and a donor selected alternatively from the North and the South. For the next Funders Forum in 2012, a donor from the South should be selected to co-chair.

Responsibilities of the Co-Chairs

The *CGIAR Fund Governance Framework (as adopted on November 2, 2010)*, described the roles and responsibilities of the co-chairs. They will provide leadership to the Funders Forum, interact with the Fund Council, the Consortium, and Funders Forum participants, and coordinate with the Fund Office on Funders Forum planning and follow-up.

Selection Criteria/Process

- Funders are asked to make their nominations on the attached sheet;
- There should only be one nomination from each donor country/organization;
- If there is a tie, the Funders Forum Chair may select the Co-chair; and
- The Funder with the most nominations will be the Co-Chair for Funders Forum 2012.
